Due to the popularity of the event, no exhibit spaces are available on the flightline.

The vendor area will be prominently displayed and traffic directed by the announcer.
All vendors will be announced at various intervals during the event.

Booth Rental Form

Format:

Since this is our first electric event with promises of growing next year, we wanted to make all vendors as welcome as possible. Providing merchandise is handled a bit differently at this event and is apart form the actual booth fee. See explanation below.

This is a space only - Vendor will provide canopy, tables and power if required. Charging stations will be on site.

10X10' Booth Space \$100.00

10X20' Booth Space \$150.00

Note:

All Booth space is on a first come basis, so get your forms in early. Fees can be collected on site before your space is assigned.

Product Donations for the Exclusive use at the Event

All products donated by manufacturers and vendors will be listed as contributors to the event signs as well as announced periodically by the announcer. No dollar amount minimum is required providing the products are related to the electric theme of the event.

It will be greatly appreciated if the donations and dollar amount are sent in before the event so that they may be listed on the signage at the event.

Products will be used for the public raffle and some items for pilot raffles. The staff wants to insure that your product(s) and donations will receive as much exposure to pilots and spectators alike.
